

A DAY IN THE

Life OF...

SILVIA SESSA
Senior Manager
@ Milan

9:00

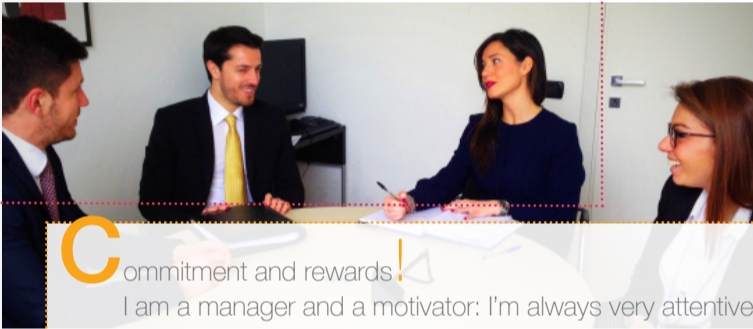

Starting with a coffee!
After my second coffee at 9 o'clock (the first with my colleagues) I start my working day smiling as usual: curricula screening, candidates calls... I am very professional and very focused on the business.

11:00

Business meeting time!
Time to share results with the boss and others team leaders, plan the business's future and learn from others how to improve her managing skills more and more.

15:00

Commitment and rewards!
I am a manager and a motivator: I'm always very attentive with my team, I take the time every day to share with my team advice and suggestions, supporting them and celebrating their results.
